

DX Advisory Committee Report

July 2012

to the

**American Radio Relay League
Board of Directors**

Submitted by:

**Coy Day, N5OK
Chairman, DX Advisory Committee**

Introduction

The DX community continues to be active with the increase in the number of sunspots. Interest in DXCC programs continues apace.

The committee has been relatively inactive the last year with no significant items to address.

Feedback from the DX Community

Recent feedback has been minimal with only a few items being suggested; all of those having been dealt with previously and resolved.

Committee Happenings

We welcomed a very well qualified Delta Division committee member, Dr. Gary Jones, W5FI, and thanked Floyd Gerald, N5FG, for his many years of service both to the committee and to amateur radio in general.

Final Comments

I'm very proud of the committee and their continued dedication. We look forward to any possible future assignment.

Respectfully submitted,

Coy Day, N5OK
Chairman, DX Advisory Committee
West Gulf Division Representative
